Jack Keighley's family walks have been known and loved by both visitors and locals alike for many years.

From the ninety walks featured in his original three-book series of Walks in the Yorkshire Dales (published 1989-1991 and now out of print), Jack Keighley has selected, revised and updated his fifty top favourites.

All the walks are circular, and range from 4.5 to 7.75 miles. They have been chosen to appeal to all, and vary from simple valley strolls to strenuous fell expeditions. The walks are illustrated in Jack's unique style, with annotated sketch maps and delightful line drawings, making the routes accessible to all.
