ISBN: **9781852846527** (Short Code: 652)

Publication Date: **July 2012**

Price: **£16.95**

Edition: **First**

Author: **Brian Johnson**

pvc Encapsulated, 352 pages

17.2cm x 11.6cm

This guidebook, one of a two-volume set, describes hikes up all 112 Corbetts (Scotland's 2500-2999ft mountains) south of the Great Glen. They provide fantastic walking and many are still little-climbed, with hardly any experience of crowds. Few of the routes in the guide involve scrambling, but there is challenge to be had on the many steep slopes. They can be climbed at any time of year but the going can be relatively tough and navigation demanding in mist and poor weather. The guide is not intended primarily for peak baggers, who want the shortest, easiest option, but rather for walkers who want the best, most interesting routes.

## Key marketing points

- The only practical guidebooks for climbing and 'collecting' the Corbetts of Scotland
- Some, like 'The Cobbler' have been climbed by thousands, while others barely ever have visitors
- For the summit collector and general Scottish hillwalker

## About the author

Since taking early retirement from teaching, Brian Johnson has hiked the Pacific Crest Trail three times, completed a 2700-miles walk round Britain, hiked across the Pyrenees three times and completed a 2200-mile cycle tour of Spain and France. He has achieved a single summer completion of the Munros and has climbed all of the Corbetts.
