This map booklet shows the 190 mile (300km) Coast to Coast Walk, a popular long distance trail across northern England from St Bees Head in Cumbria to Robin Hood's Bay on the Yorkshire coast, devised by Alfred Wainwright.

This booklet of Ordnance Survey 1:25,000 Explorer maps has been designed for convenient use on the Coast to Coast Walk and shows the full line of the trail along with the relevant extract from the OS Explorer map legend. It can be used when walking the route west–east or east–west. Conveniently sized for slipping into a jacket pocket or top of a rucksack, it comes in a clear PVC sleeve.

The Coast to Coast Walk crosses three national parks – the Lake District, the Yorkshire Dales and the North York Moors – and is characterised by fantastic scenery, varied landscapes and great camaraderie among walkers. This map booklet contains all the mapping you need to complete the trail, named by Country Walking magazine as the second best walk in the world.

An accompanying Cicerone guidebook – The Coast to Coast Walk / 9781852847593 – describes the full route in both directions with lots of other practical information, for those who prefer a written guide. NOTE: The accompanying guidebook **INCLUDES** a copy of this map booklet.
