Edition: **Second** (replaces 185284079X)

Author: **Gillian Price**

pvc Encapsulated, 256 pages

17.2cm x 11.6cm

This guide leads you through breathtaking alpine scenery flanked by well-graded paths and excellent mountain refuges, which are easily accessible with the excellent network of public transport from major towns such as Venice, Verona, Munich and Innsbruck.

Any one of these multi-day walks make for a memorable holiday in Italy's Dolomites. Many walks follow mule-tracks constructed by troops during the First World War, when Italy fought Austria for possession of summits and tunnels were hewn through impossible mountain-sides. The routes are enhanced with explanations of wildlife and flowers. Everything, from a stroll through woods and meadows to steep rocky zigzag passages and hands-on clammers, is covered.

This full colour revised edition has a wealth of inspiring photos, detailed maps, myriad new routes and heaps of practical help on travelling, sleeping and eating.

Key marketing points

- 28 high quality routes throughout the Dolomites, mainly in the 2-3 day range, with overnight accommodation, usually in huts, worked into the route.
- Explores both the remote areas of this beautiful region and the well-known parts, including many new routes.
- Detailed transport and hut information, outstanding photography and sketch maps.

About the author

Gillian Price was born in England but moved to Australia when young. After taking a degree in anthropology and working in adult education, she set off to travel through Asia and trek the Himalayas. Gillian has steadily explored the mountain ranges of Italy and brought them to life for visitors in a series of outstanding guides for Cicerone.
