This guidebook explores two treks in the Bernina region of the Swiss-Italian Alps. The Tour of the Bernina is an 12-stage trek circling the Piz Bernina massif, 122km long and suitable for beginner trekkers. The Alta Via Valmalenco in Italy is a shorter, 8-stage trek over 95km, but is a more challenging route suitable for trekkers with more experience.

Whether skirting above St. Moritz and below snow-capped giants on the Tour of the Bernina, or climbing over wild, high passes and through isolated mountains in the Italian Valmalenco by Monte Disgrazia, the treks offer incredible experiences. Both feature spectacular peaks towering over snow fields and perfect alpine pastures, with accommodation in comfortable alpine guesthouses and high altitude huts.

This guide provides detailed route descriptions in combination with plenty of background and practical information.
