Cycle Touring in France concentrates on eight selected one- or two-week bicycle tours which endeavour to offer cyclists of all levels a taste of France's diverse landscapes.

France is one of the most inviting countries in the world for cycle touring, a country proud of hosting the greatest cycle race on Earth, the Tour de France. Here you will encounter friendly people, sample fine wines and enjoy exquisite regional cuisines.

Covering some of the most picturesque parts of Brittany, Picardy, Alsace, Auvergne/Languedoc, Provence, Dordogne/Lot, the Alps and Pyrenees, the tours in this guide are accompanied by detailed route descriptions and maps, lists of campsites, bed and breakfasts and hotels, airport and rail connections, and practical information including tips on when to go and what to take, transporting your bicycle and being prepared for carrying out bicycle repairs on the road.
