Corsica is a paradise for walkers and this guide presents the stunning Mare e Monti, Mare-Mare Nord and Mare-Mare Sud long-distance routes. The coast-to-coast routes cover 26 days of the rugged interior and the softer south of the island, along with the exceptional coastline. A supplementary section has 18 day-walks, exploring the forests, cascades, maquis and river gorges. A range of comfortable hostels and hotels ensure walkers are never far from an overnight stop and some excellent catering.
