

WINTER CLIMBS IN THE CAIRNGORMS

The Cairngorms and Creag Meagaidh

ISBN: **9781852846220** (Short Code: 622)

Publication Date: **December 2011**

Price: **£16.95**

Edition: **Sixth** (replaces 9781852843182)

Authors: **Allen Fyffe, Blair Fyffe**

pvc Encapsulated, 272 pages

17.2cm x 11.6cm

This guide, now in its sixth edition, offers a selection of some of the best winter routes to be found in the Cairngorms and on Creag Meagaidh. The granite peaks of the former have extensive areas of high plateau and four peaks of over 4000ft, while the latter is noted for its classic ice routes. There is superb winter climbing to be had in this unique mountain environment.

There is a complete range of various difficulties, lengths and styles in the guide, from straightforward climbs to some of exceptional difficulty. Some routes are easily accessible, others are extremely remote but all require a solid mountaineering background.

Set in the heart of Scotland, the classic gully routes of Lochnagar are here as are the more remote and serious climbs on Braeriach. With something to suit all winter climbers, the Cairngorms has it all.

Key marketing points

- Best winter routes on Creag Meagaidh and in the Cairngorms
- Wide range of grades, styles and lengths for all mountaineers
- Authoritative guide, now in its sixth edition and fully updated

About the author

Allen Fyffe has been an active mountaineer for over 40 years and has completed over 200 new routes in Scotland in both summer and winter. He has also climbed in Canada and Peru but is especially active in the Cairngorms.

Blair Fyffe has rock climbed extensively throughout Britain and Europe and has climbed new winter routes in Norway and new alpine routes in Kyrgyzstan. In 2006 he completed a PhD in slab avalanche release at Edinburgh University.
