This is a new edition of the second volume of the Nuttall-s list of summits of England and Wales. This book (Volume 2) sets out the 253 mountains in England which reach the height of 2000ft, including the most recently designated summits of Honister Crag & Birks Fell.

Illustrated with the authors- sketches and maps, the walker is taken to England-s 2000ft summits in a selection of 58 walks. By completing the walks, the reader will ascend all the English 2000ers and experience the highlights the Lake District, Cheviots, Pennines, Dales, Peaks and Dartmoor have to offer. The Welsh mountains are explored in the first volume.

## About the author

John and Anne Nuttall have compiled a list of all the hills over 2000ft in England and Wales, and have constructed walks that take the enthusiast to them on the most enjoyable paths. Together with The Mountains of England and Wales Volume 1: Wales, they have established a tradition of collecting 'Nuttalls' comparable to Munro bagging. When not roaming the hills, they live in Cheshire with their family.
